Extended Warranty

Showtime has the most knowledgeable and well-trained in-house technical support department in the area. Unlike other retailers, we don't send computers back to the manufacturer—we fix it, fast!

Extended Warranty Plan includes:

1. Free remote technical support for the duration of your Warranty
2. In-shop service is covered 100%, excludes virus removal
3. Expedited replacement of all parts in your system
4. Express service Next on the bench for any Repair 1-2 Days Turnaround

ONE YEAR \$89.00 or TWO YEARS \$169.00

Motherboard Combos or pre-system?

A Motherboard combo includes motherboard a processor and CPU fan.

A pre-system included everything you need for a working machine, without an operating system. Pre-systems are a great choice for someone that already has a Windows operating system or is looking to install Linux
